

HAPPY NEW YEAR AND BEST WISHES FOR 2019

Community Involvement Events

TIAA conducted a very rewarding year serving nonprofit organizations all over the Metroplex during 2018. A total of 35 TIAA members volunteered over 380 hours to assist 15 different organizations performing tasks vital to the nonprofit's clients. We enjoyed working a variety of tasks such as filling

client's grocery carts with nourishing canned, refrigerated, and frozen food supplies, delivering Meals on Wheels to the elderly, stuffing envelopes with various fund-raising materials, building a handicap ramp to allow the homeowner access to the outside world, wrapping toiletries for distribution as Christmas gifts to Meals on Wheels clients, and many other interesting tasks. We celebrated our successes on

December 13 with a volunteer luncheon. We enjoyed a wonderful meal from Café Max and listened to a most interesting summary of Richardson ISD's Robotics efforts from Mary Worthington, RISD Community Relations Manager. She brought a group of RISD High School students who had set up a robotics demonstration in our conference room. The students are an award-winning robotics team and impressed us with their mechanical and programming expertise. Please consider joining us in 2019 as we host 16 new and returning volunteer events. We usually start our day at TI's Texins Fitness Center to board a bus to and from the nonprofit's location. We spend the morning working tasks assigned by our host and then depart for lunch at a nearby restaurant.

December Community Involvement Recap: *We ended 2018 TIAA CIT volunteer events today with a spectacularly popular "Meals on Wheels Gift Wrap" project. Twelve TIAA volunteers, including three new people helped wrap about 500 bars of soap, hand lotion, socks, toothbrushes, and a lot more items for delivery Christmas Day to needy Meals on Wheels clients. Our picture was taken at the Christmas tree and the MOW hosts served us pizza for lunch. Best part of the day was having three TIAA volunteers show up at the event who had not attended previously during 2018. Please join us on one of our upcoming events*

TIAA Travel and Events

December Travel and Events Recap: *On a cold windy night, twelve TIAA members bundled up to go Christmas lights hunting – and found millions of them. We hopped on one of the trolleys to tour beautiful Highland Park while munching our candy canes. We saw several Santa with reindeer (or a bulldog in one case) pulling sleighs, a second-story window with a Grinch staring at us, one house with a mail box dedicated to Santa letters, hundreds of trees lined to the very tip top with colored lights (some had been decorated every year since the '30s), red-white-and-blue lit USA flags, nativity scenes and Jerry Jones' white house which is set back from the street but very beautifully lit. The trolley stopped at one house, so we could disembark and take pictures of an automated, revolving, lighted carousel before returning to TI. Please join us in one of our many adventures.*

January 26, Southwest Exposition and Rodeo, Fort Worth – Saturday, 11:30 am - 5:30 pm. Join us for this legendary event which started in 1846. It will be held for the last time at the old Will Rogers Memorial Center before moving to the new Dicky's arena next year. The show offers an atmosphere rich in culture and diversity as professional rodeo athletes compete for the championship by roping calves, riding bulls and broncs, and showing off their great cutting horses. There will be many animals up-close-and-personal, including horses, cattle, pigs, sheep, poultry, pigeons, rabbits and even llamas. This is great fun for the whole family including a festive carnival/midway, unique shopping and hands-on educational experiences. (It is a handicapped-accessible facility.) Board a bus at the Texins Fitness Center at 11:30 am, ride to Fort Worth, look around the grounds, eat lunch on our own, enjoy the 2:00 pm rodeo and return to TI about 5:30 pm. Price is \$35 for members and \$38 for nonmembers, which includes admission to the grounds, the rodeo and transportation. Please [register online](#) to join us and experience this event.
